**COOL-FIT 2.0 / COOL-FIT 4.0 Fire classification**

As European producer we herewith confirm that Georg Fischer COOL-FIT 2.0 and COOL-FIT 4.0 pipes, fittings and valves are designed and produced to fully comply with the requirements of the European and International standards.

All processes are covered by the Georg Fischer management system which meets the standards ISO9001 and ISO14001, certified by SQS.

Both systems fulfil the European fire classification

**E**

according to EN13501-1:2007+A1:2009

*Fire classification of construction products and building elements –  
Part 1: Classification using data from reaction to fire tests;*

The systems were tested and classified by the following independent laboratories:

COOL-FIT 2.0: EXOVA Warrington Fire Frankfurt, Germany report No. 2017-1166-K1,  
COOL-FIT 4.0: MPA Braunschweig, Germany test report No. K-2300/776/18-MPA BS

Best regards
