## Sponsoring the GF Piping Systems Walk For Water

## Sponsor us

Walk For Water - October 5th, 2024

Irvine CA, Little Rock AR, Shawnee OK

### Event History

In 2001, George and Molly Greene started Water Mission with a vision that all people have safe water. Molly also wanted to provide an opportunity for others to understand the day-to-day experience of the 2 billion people affected by the global water crisis. So, in 2006, Water Mission created the Walk for Water to simulate the trek women and children make every day to collect water. This event started in Charleston, South Carolina, but has spread to multiple locations across the United States and around the world.

The 8th annual GF Walk for Water will take place on October 5th in three GF locations. Over the past seven years, the Walk has brought thousands of people access to clean, safe water around the world. Your sponsorship and participation in this year's Walk will help us continue the momentum.

### Why Sponsor?

When you sponsor the Walk for Water, you're using your platform to transform lives around the world. You can inspire your neighbors to raise funds and awareness to fight the global water crisis.

Becoming a Walk sponsor is a great way to increase employee engagement and community goodwill. By creating a company Walk team and inviting others to join, you create connections and inspire people to come together for a good cause. Plus, your contribution is tax-deductible to the extent allowed by the law.

## We walk, so others don't have to.

On October 5, 2024 GF will help bring the community together at one of our 3 GF locations to raise funds and awareness to fight the global water crisis. As a sponsor of the Walk for Water, you will receive the following benefits:

Water Mission is an engineering nonprofit that builds sustainable safe water solutions for people in developing countries, refugee camps, and disaster areas. Since 2001, Water Mission has served more than 8 million people in 60 countries, sharing safe water and the message of God's love. Charity Navigator has awarded Water Mission its top four-star rating 15 years in a row, a distinction shared by only 1% of the charities rated by the organization.
